Dinosaur

Steal the eggs from the nest

A game for 2 or more players

What you'll need:

- A hoop, tape or string to mark a circle to be your nest
- A Selection of balls, bean bags or soft toys the more the better

What to do:

- The "eggs" toys or balls are places in the centre of the room or playing area
- Each player has their own dinosaur nest an equal distance away from the "eggs" in the centre
- The players have a set time 60 seconds to steal as many eggs from the centre and put in their own nest.
- You can also steal from the other players nest

How to change it up:

- Extend the time
- Ask an adult to tell you what object to steal from the nest – following instructions
- To help simple maths skills different objects could be given a different about of points. **Balls 1 point, soft toys 2 points**
- The player with the most objects or points is the winner
