What makes me happy

*outdoor activities
Like bike riding,
walking, going to the
beach, taking the kids
to the play park ,
swimming.
*I also enjoy reading
and watching crime
programmes.

How I want to be supported

I would like it if everyone was patient with me, I like people to be able to ask for my help and not just me offering it, id like to be encouraged to do things that will help build me confidence, and lastly id like to be able to build a positive environment for our class.
