

Mrs Peters

About me:

My name is Mrs Peters and I am a Special Teaching Assistant at the Duke Of Lancaster School.

Before I was a teaching assistant, I was a Dental Nurse but I came to work here because I enjoy helping and supporting children with additional needs.

I live in Fakenham, just a short walk from Duke of Lancaster, I visit my grandparents often who live in Wells-Next-The-Sea. We go for beach walks and fish and chips on the quay with my two children.

What makes me happy

- Being with my children
- Woodland walks
- Spending time with friends
- Visiting the zoo! My favourite animals is a giraffe and panda
