About me

I have been teaching for 10 years, in both mainstream and SEN settings in Norfolk and Cambridgeshire.

I use to have my own horses and love horse riding and anything outdoors!

I love a good board game (uno and dobbie are a favourite).

In my spare time, I love to travel and see friends, I also like to get lost in a good book.

I have a PE background and attended UEA where I received a PE degree and completed my Teacher training.
