

SENDAT Outreach free training for Suffolk schools 24 Feb 4-5pm 3 March 4-5pm

Differentiation - a practical approach in mainstream primary schools

SENDAT outreach is a team of highly experienced teachers with mainstream and special school experience. This course is comprised of two, hour long sessions with an intervening task and is aimed at primary practitioners.

Session 1 covers four techniques to adapt your classroom approach, including SEND children into mainstream lessons.

-You will then have time to trial these techniques in your classroom with your pupils.

Session 2 will be a combination of workshops and a Q and A session to develop your practise further.
