

SENDAT Outreach free training for Suffolk schools

February 23rd and March 3rd 4-5pm

Differentiation - a practical approach in mainstream Secondary schools

SENDAT outreach is a team of highly experienced teachers with mainstream and special school experience. This course is comprised of two, hour long sessions with an intervening task; it is aimed at secondary practitioners.

Session 1 covers four techniques to adapt your classroom approach, including SEND children into mainstream lessons.

-You will then have time to trial these techniques in your classroom with your pupils.

Session 2 will be a combination of workshops and a Q and A session to develop your practise further.

To book a place, email: sencosupport@suffolk.gov.uk

A corresponding course is running for Primary staff on 24 Feb and 3 March 4-5pm
