Headteacher: Rick Tracey M.Ed

2nd April 2019

Dear Parents and Carers,

Stone Lodge Academy is pleased to announce that we have joined the National Schools Breakfast Programme and from Monday 29th April 2019 we will be offering a free breakfast every morning to all children for the next year. We hope this will give every child the opportunity to start the day with the right fuel for learning, especially as many of our pupils spend long periods of time on transport.

Toasted bagels will be available as the children arrive and cereal, should they prefer, as well as milk to drink. Primary children will eat together as part of registration.

Allergies will be carefully considered and catered for. Details of the ingredients for the bagels and cereal will be included on the school website.

We would appreciate if you could indicate below if you would like your child to take part in the scheme, and let us know if there are any updated allergies or dietary issues we should be aware of. If you have any questions or concerns, please contact us.

More information on the scheme can be found on www.magicbreakfast.com

Thank you for your support.

Yours Sincerely,

Mr R Tracey – Head Teacher

I would / I would not like my child to take part in the School Breakfast Scheme.
