

AT THE ZOO

My name is Mike. I'm a pupil and I go to school every day. Today is Sunday. It is my favourite day. I don't go to school. My mother and I go to the zoo.

We can see a lot of animals at the zoo. We can see two giraffes. They are yellow and black. They are tall. The giraffes are from Africa. They eat grass and leaves. We can see three brown bears. They are from Latvia. They like to eat honey. We can see four monkeys. They are brown, too. They can run, jump and hide in the trees. They like to eat bananas. We can see a tiger. It is black and orange. It is from India. It likes to eat meat.

I like monkeys best - they are funny! Mum likes bears. It's fun to

Answer the questions:

How old is Mike?

Is he a pupil?

What does he do every day?

What is his favourite day? Why?

Where does he go with his mother?

Are there many animals at the zoo?

How many giraffes can they see?

What are the giraffes like?

What do they eat?
