

Year 10 Science Work Beginning 11.05.20

1. This work should last you two weeks so take your time with it! If you can – type this into google

[BBC Bitesize Science KS2 Human Body organs clip](#)

[BBC Bitesize Science Senses](#)

2. Feel free to watch any of the other learner guides / clips about the human body
3. If you can, look through the PowerPoints on the Sendat (Stone Lodge Academy) website and after each numbered set have a go at the paper activities with the same number.

We miss your lovely smiley faces and are looking forward to seeing you when school opens again!
