

Chalk Hill AP Academy PE and Sports Premium Report 2021-22

The PE and Sports Premium is designed to help schools to support all children and young people to live healthy active lives, and to establish the foundations of positive and enjoyable participation in regular physical activity. This funding, provided by the Department for Education, is allocated to schools who have the freedom to choose how they use it, within clear guidelines.

Academic Year	Funding allocated
2021-22	£2,000

Key indicator 1: The engagement of all students in regular physical activity				
Intent	Implementation	Funding allocation	Impact	Sustainability
To maximise access for primary aged students to regular sporting and adventurous activities (in addition to: Timetabled PE, 120 minutes per week; plus social play 15 minutes x5 and 20 minutes x5 = 145 minutes per week).	All students to be offered weekly horse-riding, on a rota basis to ensure access. Timetable to include Forest School for all students, 90 minutes per week. Summer Activity days to include sporting activities and outdoor play at local parks and rugby club.	£800 fees* £200 travel* £800 staff* £37 equipment	All horse riding places taken, with new students joining as places become available. All student participating in a range of physical activities as part of weekly Forest School. All students engaged in informal sports on school site and at local outdoor venues as part of Activity Days.	Continue ongoing relationship with RDA stables. Ensure trained staff are available to continue next academic year. Extend this further by reinstating Summer Camp for all students in July 2023, at Essex Outdoors or similar outdoor activity centre.

Key indicator 2: Introduce students to a broader range of sports and physical activities				
Intent	Implementation	Funding allocation	Impact	Sustainability
To introduce students to new sporting and adventurous activities.	Summer Activity days to include trip for all students to Go Ape, some students to Foot Golf.	£93 fees £100 travel	Students attended and all participated positively, in some cases conquering their fears.	Extend this further by reinstating Summer Camp for all students in July 2023, at Essex Outdoors or similar outdoor activity centre.

				Broaden range of games and activities available at break and lunchtimes 2022-23.
--	--	--	--	----------------------------------------------------------------------------------

Key indicator 3: Increased knowledge, confidence and skills of key staff in teaching PE and Sport				
Intent	Implementation	Funding allocation	Impact	Sustainability
To ensure that staff leading PE lessons, or groups within PE lessons, have the confidence and skills to enable students to engage positively with a range of sports.	PE Lead to plan the curriculum, and guide and instruct support staff in leading sports beyond football, such as tag rugby, cricket, rounders and badminton.	Within lesson times	Staff able to offer number of different sports offered within the same lesson, to maximise engagement.	New PE lead from September 2022 to receive support and advice from Lead Teacher, and to observe good practice in other schools.

*Not full costs, but jointly funded from other sources, such as Pupil Premium

Evaluation and Plan for 2022-23

Sports and PE Premium is allocated based on the number of eligible students on roll at a single point in the preceding academic year, namely the January census. Due to the high turnover of students, which is an intrinsic part of the work of an AP Academy, this does not reflect the number of eligible students on roll in the course of the ensuing academic year. This is compounded by the fact that many of our students are dual registered, so the PE and Sports Premium will be allocated to their mainstream school rather than Chalk Hill. The complex way in which mainstream schools receive this Premium makes it difficult for us to claim back an agreed sum for dual registered students.

Once funding has been secured we plan to use it to support the activities outlined above that were planned for 2021-22, went ahead successfully, and will be repeated in 2022-23, as well as extending plans as indicated in the *sustainability* column above.
